

FACILITY TOURS

NO TOURS will be given throughout the facility. We are enacting this in an effort to keep our residents and staff healthy. We will continue to welcome all inquiries and ensure that the admissions process is simple for patients and families.

All inquiries and questions regarding admissions will be handled by phone. Please call 618-236-1391 and someone will assist you. You can also visit our website at www.mercy-rehab.com. Our website consists of great information and pictures of the facility. Thank you for your understanding during this time.

VISITOR UPDATE

Starting Friday, March 13, 2020 Mercy Rehab & Care Center will be restricting ALL VISITORS until further notice. We have NO suspected cases of COVID-19 (Coronavirus Disease) and are taking these measures to protect our residents and staff. (Exceptions will be made for any patients receiving hospice care. One visitor at a time will be allowed to visit hospice patients after completion of a required health screening and prior approval from the Administrator or Director of Nursing.) Thank you for your cooperation.
